

The Mae Walline Scholarship

The Mae Walline Nursing Scholarship was established to support nursing educational efforts at the Lindsborg Community Hospital and the Family Health Care Clinic. In 2009, it was broadened to include Bethany Home, and the criteria expanded to include CNAs wishing to further a career in nursing. Mae Walline was a nurse at Lindsborg Community Hospital for 34 years, and was extremely dedicated to her profession throughout those years. In honor of her life, her family and friends established this scholarship. In 2015, the scholarship was expanded to benefit Smoky Valley High School seniors or alums seeking a nursing or other healthcare career.
