Financial Assistance

Being a patient in the hospital can cause a financial burden on you or your family for which you are not prepared. We want to help ease this burden so that financial problems will not interfere with your recovery.

Lindsborg Community Hospital/Family Health Care Clinic's financial assistance program helps patients who have large medical bills that are beyond their ability to pay.

Any patient, whether underinsured (patients who are insured but cannot pay their portion of the bill) or uninsured (patients having no insurance or federal or state health care program) can apply to receive financial assistance for medical bills. Financial assistance is based solely on the patient's ability to pay and not on the basis of age, race, color, religion, sex, national origin, disability, or veteran status.

LCH must provide, without discrimination, care for emergency medical conditions regardless of whether a patient is eligible for financial assistance.

Application for Assistance

An Application for Assistance form is available by calling our Financial Services staff at (785) 227-3308. Representatives are ready to help you and your family with any questions or concerns you may have.

Financial Services is open Monday through Friday from 8 a.m. to 5 p.m.

Our Pledge to You
