

## *Jack and Glenna Ross Memorial Healthcare Scholarship*

*Established 2018*

Dr. Jack L. Ross was a physician in the Topeka area practicing psychiatry at the Menninger Clinic for 35 years. Glenna M. Ross was an occupational therapist specializing in work with children. Dr. and Mrs. Ross shared a passion for learning and were devoted to furthering education in healthcare. This scholarship has been established by the Ross daughters in honor of their parents, and in recognition of the need to support those who have chosen the healthcare workforce, and in order to serve with dedication and devotion to caring for people in need.

**One \$500 scholarship** will be awarded annually to a Smoky Valley High School Senior enrolling in any accredited college or university to pursue a career in the healthcare field.

**Eligibility:** Applications are open to traditional and non-traditional students who have completed a high school degree or the equivalent, and reside within a 30 mile radius of Lindsborg.

**Selection:** The applications will be reviewed by the daughters of Jack and Glenna Ross and will be judged on the application (45% weight) and accompanying essay (55% weight.) The scholarship will be awarded upon satisfactory proof of post-secondary enrollment. Application information and materials will be kept confidential.

The scholarship award will be paid to the college or university the student will attend, and may be used for tuition, room and board, and/or books.

Healthcare professionals are defined as “those involved with the delivery of healthcare services related to the identification, evaluation and prevention of diseases and disorders”. This scholarship is dedicated to those who intend to enter a scholastic program to pursue a career in healthcare, including, but not limited to the following fields:

- **Registered Nurse**
- **Physician**
- **Nurse Practitioner**
- **Physician assistant**
- **Occupational Therapy**
