

WHAT IS FOOD INSECURITY?

Food Insecurity is when you are uncertain when your next meal will be due to your income or overall access to food. Your meals may become inconsistent and can impair your way of life.

If you, or someone you know is struggling to find food consistency, there may be a program that can help when you need it.

Lindsborg
Community Hospital
Salina Regional Health Center

*Partners caring for the health of
the Smoky Valley communities.*
