

COGNITIVE CARE NETWORK

# DEMENTIA EDUCATION & SUPPORT PROGRAM

## ABOUT

For individuals who are concerned about cognitive/memory changes, or for family members/friends supporting someone with Alzheimer's disease or a related dementia.

The KU Alzheimer's Disease Research Center is providing an opportunity for individuals and/or family members to talk with a dementia-specialized navigator to learn how to manage memory changes and integrate wellness strategies. These services are **free of charge**.

## LOCATION

Lindsborg  
Community Hospital  
Salina Regional Health Center

*Lindsborg Family Health  
Care Clinic*

605 W. Lincoln St., Lindsborg, KS 67456
